Jeffrey

Please call in. We have a swaption expiring at 11am. I think we should cash settle and reduce our 30yr swap exposure. If we don't hear from you we will take physical delivery of the swap and then we can unwind it later. The new QE2 from the Fed changes the game on rates and I think it is going to take a longer time for long rates to sell off.

Hi Jeffrey

Tried calling your 212 number.

Jeff M mentioned you may have some interest in wheat. Let me know if you need anything.

We bought some 600 puts on the Dec10 contract last week. Paid 2.90%. Implied vol around 44%.
