Hi Jeffrey look at aau it is back from a dollar and my gut is this mexico find could be good as they just raised 26 million from insiders just a hunch. Have you spoken to Couri, When [REDACTED] was bad mouthing me all over town I hired someone and donated money to charities and now its all in the past. You have to have a plan and be proactive in a very methodical way. Just read a book on The poison jewess of Berlin killed 2000 of her own people ,She eventually killed herself after the war. Looking forward to your breakfast evening, Charles Evans used to have them. Be happy Jonathan
