Sent the article to MG. Haven't found out anything about Cpt. at stockade yet. People I talk to do not know about it until I say something, so must have been kept quiet for some reason.

Had lunch with bill Koch, the former headmaster of a couple top dollar private schools and Roger yesterday. Roger does not lack in self-confidence or committment to his way of doing things. I like him, tho.

Thinking about Jos.'s daughter, if you give a \$40,000.00/yr ASA \$350.00/hr (rate is more like \$175.00), she'd have to bill 2,000 hours to make \$700,000.00. That's 20 hrs/wk, 50 wks/yr for 2 years! Demand to see her time sheets and then get her payroll hours at Dade's State Attorney Office. It is a public record. Promise it will not compute.
