First, I expect you to keep your other promise and fix the nasty press coverage about me. Another one of your promises I've been patiently waiting for you to get to for years with no results. I'd like a public record of statements from you correcting the absurd sex slave comments and stating I have been your girlfriend, most loyal friend and a love of you life for 7 years, as you had promised you would. Feel free to include the first part of your email and no mentions of separating.

Thanks

PS: For the record, it is Untrue my priorities ever changed. I have nothing to gloat about and I couldn't care less what you tell people like SUE, who should have been thrown out last moth as per our agreement.

I am very very disturbed by your behavior

Unbeknownst to you I had scammed a surprise which I have canceled. I want other people to hear what you would like them to , regarding the reasons for our situation. I will follow your script This is the email that I am sending to others.-- Dear Steve, Joe , Sue, etc. I am very sorry , but the [REDACTED] celebration will not take place. Though as you know [REDACTED] unwavering loyalty , devotion, and help during my recent debacle, was the raisons det're of the party , Unfortunately it now appears that [REDACTED] and my previously shared prioirties have diverged and we have now decided to seperate. For seven years we have been a solid team, and I will always love her and be forever grateful for her steadfast support. I am sure you will also continue to treat her as part of my family. --- the idea was to give you the opportunity to publicly " gloat" in front of the list of removees.
