**Subject:** RE:

we put plywood and carpet down to protect the floor.

we moved some equipment out the room and some living furniture in, when you're here we will determine which eq. you want at gym and what goes elsewhere.

we will have to enlarge the door between rooms to get any of the bigger eq. moved, its concrete so we can't do that and put it back before you get here, also everyone is concentrating on tying everything down in preparation for tropical storm Colin
