I've been thinking about you lately. I hope your island hasn't been effected by the oil spill. I can send some good italian bread from Gargiulo's, if you need it. I love my apartment and never been happier. It's a great location, I feel like i'm just 15 minutes away from everything. I either ride my bike in Central Park in the mornings or go over to the East River promenade. They built a Costco on East 116th Street by the River and sometimes I ride up there to shop. I love using my bike for practical purposes, it makes me feel European. I'm still settling in, it takes a while to get organized and figure out what you need and where to put it. I can't thank you enough for making this all possible. I'm at a peaceful point in my life except on Wednesday night's when I go to my Zumba class (salsa dancing) and live la vida loca. Please call me when you're in NY, I'd like you to come over. I hope you're in love because you deserve the best/ [REDACTED] xoxoxo
