**Subject:** Re:

I just need to know if the flight is for real and if its really ok for us to join Henry so I can call the airlines and change the tickets. And also what time is the flight and where and when we have to be. But if its really gonna happen that would be unbelievable! I never flew on private jet before! That would be the best gift I ever got for my bday! Haha! Thank u sooooo much Jeffrey!
