Good Morning [REDACTED]  
*Attached Vacation List. As I mentioned I have always generated a list over the holiday period (Thanksgiving thru New Year) this had been especially important for Construction on LSJ.*  
*Darren requested early this year that I track Lafayette, Gary considers William Rowles as senior personal, hence oversees his time off, but provided me with his information Please note all employees who work full time on LSJ clock into the Timeclock except Emad who is not happy to do so, but when he is on Island I clock him in manually. Very helpful to know who is on Island especially if you need to get everyone off in a hurry and an excellent way to track time off*  
*If you require any further information please let me know. I will cc you on each Friday to get an updated list*

Warmest regards  
[REDACTED]
