Jeffrey Edwards:

Had lunch at Pigozzi's with the Duke of Marlborough- Sunny to you and me.
Sleeping at Johnny's tonight.

This evening he took me first to Ronald Perelman's boat- Ron not on it because Callie got sick and he brought her home but is coming back after I leave- so Jane Wenner received us. She just lives on ROP's new boat called "C2" at 256' and gorgeous.

Then we took the tender to Roman Abramowitz new 350 ' boat "LUNA" and had dinner with him and Bono. I was fainting.

How does it feel to be FREE at last...now the creeps in Palm Beach can pick on Conrad Black.

Tomorrow I go to Athens and helicopter to Patmos...to go on new 164' sailboat with purple sails! See June Elle Decor for 10 page layout.

Back to reality Sunday, Aug. 1st. Office continues to do events with me away. They are doing excellent work and lots of coverage. We have Eat, Pray, Love Sunday, Aug. 8th in East Hampton and Wall Stree 2 in Southampton Sunday Aug 22 and dinner party for 250 at David Koch's!

May come back Sept. 1 for Venice Film Festival because it very hot this year and I can get a lot of work and write about it. Bryan is working on AA milage air tickets..water transportation in Venice is a drag because taxi's are expensive...it's not like Paris where you can find a kid with a car and make a deal.

Come to Patmos!!!
Where are you going?
xoxo Peg
