Ohhh that would be great! I can say that I'm a bit stressed about the work now. I want to accumulate so much knowledge, there are so many things that I wasn't aware of that sometimes it makes me feel stupid :((And I'm hungry for information but on the other hand I'm not sure I'm searching at the right place sometimes.

The only way that I could come to Paris was to take a train after work, and come back later at night or with the first train in the morning to get to work in time. But if you'll come to London it would be much easier...right?

I hope you enjoy Paris!
