Title: Tuesday, July 27

I now am officially the best "Yacht Slut" in the south of France.

Went from your 156' "Lady Joy" to de Guardiola's 136' "Audacia" to Perelman's 256' "C2" to Roman Abramowitz's 350 "Luna" in one day.

Had dinner on "Luna" with Roman, Dasha, Guy Osary, Pigozzi, Jane Wenner, Ali and Bono. What was I doing there?  
Had a magical time as Bono held court and told hilarious stories about Bob Dylan, Prince who performed in Nice the night before, van Morrison and Pink Flyod....!

On the way to Athens now.

xoxo Peggy
