I wanted to let you to the following about the contract for the ASU Origins Project Science Advisory Committee Meeting.

1. We need to give an initial deposit of \$10,000.44 now.
2. We need to give the balance of \$30,001.32 on **Sept 12** (this is based on \$299.00 + 8% tax + \$58 resort fee/day = \$380.92 x 78 room nights = \$29,711.76 plus Estimate food and beverage of \$10,290.00 - Total is \$40,001.76)
3. If we have less than 85% of the room night commitment we will have liquidated damages of the difference between 85% and our actual usage multiplied by the average group room rate.

Lawrence Krause has set the anticipated attendance at 45 people and we are booking 25 rooms.
