What number are you on? He is on his way over now, and want to spend about an hour or so with him first. I would like to record your interview with him, we can have it all set up, so you don't have to do a thing, then, we can post it on the site, and it is in your voice, and I would like to take advantage of this opportunity please.

Number you are at and will be available.

He's a really good guy, and very smart. You will like him.

Cheers,
me
