From Rich re buzz on 9416:

Sawyers performed their tests on the phone system. Said it was Verizon side of service. Verizon came to house and confirmed it's on the phone system side of service. Sawyers is scheduled to come back early next week. I am going to schedule Verizon at the same time. Verizon thinks it is a programming card within the system. Pat still believes its on Verizon's side. They need to battle it out together.

I am on my way in . just picked up hardware for 3 rd floor bathroom and painting in the elevator.
