I still believe we are not any closer to a solution. my repeated attempts at constructive suggestions are as unproductive as all my others. I spent the day , with Louella, landscapers. shopping at home depot. simona arrives at 545 makes breakfast and lunch, , dana will come to assist her next week, sarah is making muffin batter. , I've replaced the candles , moved the desert rose, bought plants for the house. , no chair for the office. - organized a proper facial, though i had asked you in a mail weeks ago.
