Nothing yet, but I got an email from Trent Re: suing him. Trent said he sees little chance for recovery, so why bother. I explained again about the need to distance myself from him and side with the victims. Encouraged Trent to talk with Paul, which he said he would do. Am going to email Trent again today.

Thought it would be a while before I heard from you! Go play! Go somewhere you can decide to take a walk spontaneously and be able to do it. God knows you have earned it. (Don't get me wrong-it is good to hear from you. I just want you to get away from everything for a time and decompress).
