Dear Sarah,

We don't know our schedule yet, and even if we would have had one, it is not reliable as it changes unexpectedly. I joke that we don't travel every week to a lot of destinations.... as lately we keep on cancelling as situation is not steady. It is true also for unexpected trips.

As for NY - it is scheduled but we will know for sure when we will be on board on Monday. I am not sure that it is worthwhile to make such changes.
