Dear Jeffrey, yes I did need a second place for a week. And I thank you so much, but just as I predicted many many months ago, the british press is ready to exterminate me, and it seems that Price WaterhouseCoopers and the palace system are not equipped to deal with all of this huge wave of negativity. Therefore I have to return to the uk, and be exterminated and face the thunderous music.

I am now 1000 percent being hung out to dry, just as I predicted you will see, the Press will have me exiled.

I am totally on my own now. This is beyond scandalous and nobody can do anything.

I cannot believe what this is all coming to.

I have to return to face my judge and jury and be hung yet again. Just as I always said, no woman has ever left the royal family with her head, and the cannot behead me, therefore they will discredit me. Totally to obliteration.

I have no words.
