Igor asked me to see if there are any flights that would get him in earlier than 3:20 on Monday 19<sup>th</sup>.

There are, but they are more expensive and he would have to make a stop and change planes.

Example: depart at 8:20am stop in Atlanta arrive Miami at 1:02pm for \$612

Example: depart at 9:25 am stop in Charlotte arrive Miami at 1:56pm for \$436

Example: depart at 7:15am stop in Charlotte arrive Miami at 12:06 for \$436

Please let me know what is best!
