Subject: Dan Dubno

Dan Dubno called again and suggested you possibly register to go to the event and then pay extra. He said people do this all the time and it would still be anonymous. Can be done thru paypal or with CC. He would really appreciate the help-donation and said the amt he gave is an estimate and if there was some left over he would certainly give it back. I told him I really did not know if it was possible for you to do this. He would like me to answer him as soon as possible....
