Subject: thank u for bringing a little bit of NY to me

Jeffrey,

Today I received what I consider the best box anyone could have ever delivered to me, not only the element of surprise nearly threw me of my chair, what it contained is something my heart has been craving - NY doughnuts. It is absolutely the best thing anyone has ever sent me. you managed to bring a little bit of New York right here to my office in hot stuffy abu dhabi and simultaneously take me back to New York and all that I loved about it! I am overwhelmed overjoyed and overdosed on sugar:)

I cant thank you enough for the wonderful gesture!!

As for the continuing cooperation in the field of science, I really do hope we find areas of mutual interest. I know His Highness enjoyed meeting you as well.

I hope to see you when I come to NY and I will hold you to your word and ask you to show me your house!!!!

Hind
