Hi F - how are you? Hope all is well! I'm still trying to get to Davos (rejected again) - any ideas? Miss you and hope to see you soon! I'm in LA this week, NYC the next - if you're in either one...

Is it possible to attend the annual meeting in Davos next year? My focus is on financial literacy, and I believe if we can teach the basic principles of finance to people, especially women, the level of poverty in the world would greatly decrease. I have published a book, " [REDACTED]" which take the basic principles of finance and explains them in an easy to read guide.

Please let me know the procedure for attending. Thank you for your consideration.
