Tried to send from my other email address, but your littlestjeff address is closed. FYI.

Would like to see you before you flee the island if you have time.

I asked Diana about Lou Mrachek, she likes him alot. (as well as his partner Fitzgerald) He is an ex marine, no nonsense kind of guy. In her opinion, Mrachek is a good lawyer that practices in commercial litigation. She didn't know the lawyers from Diamond & Kaplan.

Ask if anybody knows Lou Mrachek (Page, Mrachek, Fitzgerald & Rose) or the lawyers at Diamond, Kaplan & Rothstein (in Boca).
