Hi Jeffrey,

How are you? I think of you often and hope you are well and nearly at the end of your stay in Florida.. Pls let me know how you are doing..

Yesterday I launched my new company and website <http://simbiosisplanet.org> and I have a lot of work ahead of me, marketing wise.. I will be leaving to the States soon as the American market is my main target (geographically closer to Peru and the Americans are very much into the alternative, yoga, healing movement) and my first journeys are starting next month, I still have so much to organise as time is short and I need to get bookings.

I was wondering if I could ask for your help as I will be NY to start promoting my company there and was wondering if I could stay in your apartment pls? (where I stayed before) it will also help me to reduce my costs not having to fly back and forth to the UK all the time.

I look forward to hearing from you.

Thanks and best,

Eman x
