I found a room! I'm so happy!

Is in a good area, close to work.

I'll share a flat with a single mother with 2 daughters... The room will be free next sunday,in a week, but she said if I have no place to stay I can sleep on the couch for the first week :)

And I'll pay 140 pounds per week.

I'll write you more tomorrow after I'll meet her.

kisses
