Title: Re: new year

Just think about this:

If you KNOW you are having a great time, WHILE you are having a great time, then in hindsight you actually had an even better time than you think.

I made those pearls of wisdom up 50 years ago when I was in adolescent jail at 38 Lynn Drive, Englewood Cliffs....and that attitude got me thru life. So I pass it on to you and I promise you will never look back.

All your dear friends are beyond excited the end is in sight.

Jonathan Farkas said to me Wednesday night in the Donna Karen store on Madison Avenue as we were buying bracelets made by poor African women from Rwanda....that only Francine LeFrak could make anyone do....  
Jonathan said, "What if Jeffrey doesn't talk to us anymore when he gets out?" I told him that would never happen.

I send you all my love on my birthday for changing my life as an international traveler and showing me the world.  
Days to go!

xoxo Peggy

What about Jeffrey Edwards? Too plain? Jeffrey Einstein could work.
