I am feeling fine, missing you and [REDACTED] like crazy, she phoned last night and I almost took a comfort break in my knickers I laughed so much.

Lily seems extremely happy to have me home, she is following me around everywhere and playing with me constantly.

My mom is being great.

I forgot to tell you there was an old Indian man next to me on the plane who was drinking too much, he kept touching and talking to me and telling me how amazing I was. He fell asleep and when he woke up he put his arms around me and told me he loved me....I thought it was you playing a joke on me!!!
