Subject: To Do List's/Letter/Resume

I have printed out all your To Do Lists.

I have typed your letter you need. Darren says there is no one person to address this to and the address he gave me is the only one he can find. He did call the FL. Dept of Law Enforcement and this is the information he was given. If you would like to speak to Darren further, give him a call on his cell. [REDACTED]

I have a resume for house manager/chef that Rich Barnett has given me for you. This person used to work for Cosby Rich says.
