invoice 5 .doc

Ion called today asking about outstanding fees. Should I communicate to him that his email inferred he did not deserve fees? Please advise.

I was under the impression from the email that you sent that he inferred that he did not deserve to be paid.

In attached email he is asking for 11,000 in fees and 322.32 in expenses.

Please advise.

hi rich,

..i attached here the invoice for may 23rd to june 21st
this time i sent you the invoice a little earlier(two days). i talked to jeffrey yesterday and
we agreed to take a brake for a month untill i will be able to start the painting at the
island..

the last day of work was monday, june 21st, so the invoice is for a month minus two
days(june 22nd and 23rd) thats why i aproximate to \$6,000.

i had a small amount of expenses, \$36.77, i'll attach the receipts to another e-mail.
beside this i have the expenses from last time i didnt get in amount of \$285.55 and an
outstanding balance \$5,000.

so all toghether should be \$11,000, plus \$322.32 reimbursement of expenses.

thank you,
nicola
