Dite is good! :) waiting for fireworks show tonight! Reading about Norman Rockwell now. I love his paintings!

How are you?

Aw! Jeffrey, you can't imagine how many stupid things girls do in modelling world when looking after their bodies!

I m not surprised that they die,because they go for extremes!

Last week in Escada I heard girls telling a story about roommate who ate cotton balls to stay slim!!!!

I couldn't hold myself laughing!how stupid is that!and dangerous too!

Yam! Cotton balls!

I still believe in alternative to be a good thing along with real medicine. :)
