Subject: Karl Henry

Good Morning,

I received a call from Karl Henry this morning in reference to a personal loan to travel to Puerto Rico to have an operation. Karl was diagnosed with a Perineal Sinus a few weeks ago and has been struggling to control the infection. Without going into too many details, due to the location of this infection he has been relying on his parents to pack and assist with drainage. His doctor has recommended that he travel to Puerto Rico to have more specialized care and where he can be monitored daily, the doctor has indicated 2 weeks of care.

Karl has been working for I.G since 12/5/05 in the Engineering Dept at an hourly rate of \$11.70. He is a very valued and trustworthy employee.

Karl is requesting a personal loan of \$2,000.00 and would have repayments taken out of his wage

For your consideration

Warmest regards
