Jeffrey,
Meditating this morning came across this. Given the circumstances thought you might want to reflect.

Lao Tzu , Tao Te Ching- Verse 63

Let Tao become all your actions
Then your wants will become your treasure
Your injury will become your blessing.

Take on difficulties while they are still easy
Do great things while they are still small
Step by step the world's burden is lifted
Piece by piece the world's treasure is amassed.

So the Sage stays with his daily task
and accomplishes the greatest thing
Beware of those who promise a quick and easy way
for much ease brings many difficulties.

Follow your path to the end
Accept difficulty as an opportunity
This is the sure way to end up
with no difficulties at all.
