Title: Andrew

#1. Monday, Nov. 29 is Federick Fekkai's party at the Boom Boom Room for getting some medal from the French Government. It will be very elegant, fun and filled with Euros. I would like to suggest asking Federick if he will invite you and Andrew or if I can bring both of you.

#2. Tuesday, Nov.30th

We have a very private screening of "Blue Valentine" hosted by Kate Winslet for Michelle Williams...no press and downtown. I have to ask Harvey Weinstein.

We also have a mid-town screening of "Black Swan" with Natalie Portman coming and directed by Darin Aronofsky that is also terrific. I can walk you two in the side door and no one will know Andrew is there. Also a party.

#3. Wednesday, Dec. 1

We have Andrew Jarecki's "All Good Things" downtown with a hip star studded young audience. All of Andrew's famous friends are coming...and a cool after-party. This will be fun. If you don't want to see the film, just slip into the party.

#4. Thursday, Dec. 2. I have nothing on my schedule....if we do a dinner Thurs. is this in your home? Do I submit a suggested guest list today...or is it better to take the private room at La Grenouille for 30 people.

#5. Friday, Dec. 3...nothing. Art Basil is that weekend and The Kennedy Center Awards are in DC as well...honoring Paul McCartney, etc

#6. Saturday, Dec. 4....nothing.
