Dr Kruger forwarded the below message to me for you to see. He thinks you actually met with David once.

Hey Bernard:

I have a case in Palm Beach and I was researching some past decisions by the federal judge assigned to it on an issue I am raising and I see that your friend Mr. Epstein is being sued for the conduct underlying the criminal case you originally put me in touch with him about and he has the same judge (Judge Kenneth Marra). If you are still in touch with him, let him know I asked for him and see if I can help in any way. I'd love to represent the guy. Obviously, he has lawyers representing him now; but maybe I could help or really be the guy looking out for him.

Take care and have a happy and healthy new year.

David
