And also today I decided that its better if I won't get a dog. I ve been thinking about it nonstop all week and I'm afraid its gonna bring me more stress then pleasure..its a huge responsibility and loosing a freedom...

Are u on ur island now?

Also tmrw my ex boyfriend is coming for 3 days so I'm excited about that..

Thank you Jeffrey for telling me that I SHOULD get a dog because it made me really think about all the details and it also made me to come to the right decision I believe...
