Hi Jeffrey! How are you? I was finally able to work things out with a dance school to do the massage arrangement. I just did a sample massage for Cheryl Yeager from Ballet Academy East, she liked the massage and would like to try to go forward with the arrangement. Are you back in town yet? This is such a God send for me! I'm so so so appreciative of this.

My # is [REDACTED] if you would like to talk, or email is of course always good too.

I hope things are going well with you
