I am right now on the flight to NYC – I can't tell you how happy I am there is internet on the flight!

From there I leave at 11:30pm for Paris. My schedule was beyond brutal these days. Needed to come to Seattle for 16 hours for a board mtg with Bill (and some other meetings). Have been more in the air during last few days then on the ground. However, at least I can work without disturbance during flight – so at least some plus. Nonetheless – sorry for not calling you as I said.

Yes – As we, planned I will be in NYC on July 6 and 7th and looking forward to seeing you!

I started a process of getting more info for that age related test – but the guy is insisting on NDA which I am just in the process of getting. I should have more details by the time we meet in NYC. Also at that time we should discuss Croatia in more details ☺

How are you???

Boris
