Subject: Idea Royal Amwaj Hotel

My friend Peter Norris is now Chairman of the Virgin Group

Virgin Airlines brings one 747 (418 passengers daily into Dubai)

Virgin Holidays is one of the largest packagers of holidays in the world

Virgin is launching a hotel company (their version of W) They will add some small equity into a deal .They want the management of the resort

I believer the Royal is perfect for them(and maybe us) if they can run it at 100 percent which they can based on their current airlift.

I think the brand will help condo sales as well

The real question what type of deal can you do with Sultan
