FREEZING SNOWY SEATTLE!

How are you doing? I was reading your new science sites while traveling. Seems like you are coming out of your shell!!! Ha ha.

I leave Saturday for Thailand, Cambodia, Bangladesh, Laos but home on the 14th December - attending at the hospital 15th-31st.

I meet with the HR team at the foundation tomorrow, to go over a transition plan. I am leaving the foundation.

Don't have a plan B just yet however after 5 years of really gross working conditions, just felt like it was time. I took your advice and decided that if it isn't fun (anymore) and doesn't make me happy then I shouldn't do it.

Haven't spoken to Bill but he hasn't been supportive at all, or involved - so I figured best to just try to fade out rather than raise a stink.

There is a job in Doha and one at Stanford that I am considering - both are academic so I would spend most of my time as a doctor. Not my favorite to do full time but at least fun!

Miss you! When do I get to see you?
