LIST OF SCIENTIST1.docx

Hi Jeffrey! Here is your Scientist list. They have all been back in touch with me except for:

Marvin Minsky (who's information I think is correct anyway)

Martin Nowak (who is in Europe...)

[REDACTED] just wanted a good phone number for her)

Please let me know if you would like me to send out the letter to any/all of them. I know you said you would like to customize some of the letters.
