Trip Intelligence & Itinerary Consulting - IMG can provide in-depth analysis and information regarding countries, regions and cities worldwide. This includes the

breakdown and examination of the entire trip itinerary, providing thoughtful insight and risk assessment from local security personnel and travel safety experts.

International Student Security - IMG works constantly with student and youth travelers, helping them to obtain the knowledge and confidence to travel abroad safely. Our work ranges from pre-departure counseling, aimed at preventing trouble abroad to crisis management and repatriation in the case of an emergency. IMG can also arrange for medical evacuation contingencies prior to the client's departure.

Crisis Response & Management - In the case of an emergency or crisis overseas, IMG can provide a myriad of services to assist our clients. This includes coordination of local security, medical evacuation, legal assistance and repatriation. Our global flexibility allows us to respond quickly to any security or medical emergency or crisis.
