Hi Doug,

Are you able to fly to the island direct from NY on Wednesday evening to return to NY on Friday evening? I'd like to co-ordinate Serafin the woodworker to travel down with you. You can then oversee Serafin playing with samples and finishes on Thursday morning and Jeffrey and I will fly in late morning on Thursday.

We're trying to be sensitive to the holiday weekend so want to make sure everyone is back by Friday eve.

Please confirm so we can arrange.

Thanks Doug,
