**Subject:** second suburban deal

Jeffrey,

I still have the 2010 4X4 Black and Tan loaded suburban on hold in North Carolina, they are not interested in the Jag and Mercedes as trade-ins since they are in a farming community. There is no real deal on a 2011 if we order a car, max is \$1800 discount.

MSRP	\$ 58,530.00	on the 2010
out the door	\$ 52,866.00	discounted price
trade in merc and Jag	\$28,000.00	
difference	\$24,866.00	for the 4X4 2010 suburban

what do you think about this idea:

-West Palm Beach Cadillac Escalade to Zorro, it is (All Wheel drive)

-Purchase the 2010 in North Carolina and ship to New York City for use.

-I will take the Jag and Merc, to Car Max in west palm beach for cash value, and use that money towards down payment on new Suburban. ( I estimate \$28,000- \$30,000 for both cars). I heard they are giving real cash value on cars at Car Max. total out of pocket for the suburban would be estimated at \$24,866.00

is this a good idea?

thank you,  
Larry
