Title: St. Bart's

I have a flt on Monday, Dec. 20 to St. Maarten to St. Barts.

I have a beach front room at the Isle de France Monday, Dec. 20th to Tuesday, Dec. 28th. (Did not confirm yet because it's expensive.)

We are trying to extend to Monday, Jan. 3 when I have a flt home.

We are looking for a bed for Dec. 28-Jan.3.

If your travel agent has any pull at the Isle de France, can he try.

Aby Rosen is calling hotel owner tomorrow.

Also called Susan Hess's travel agent, Susan Melnick is trying to find me a bed for the last week.

I am also asking Angela Ismailos (the Greek film director who had me on her boat in Patmos and has a house there) if she can take me in for the last week.

Will update.
xoxo Peg
