Hi.. back in Phoenix after grueling week.. the movers came on Tues.. and I flew back last night.. now I am moved out officially I guess, and am trying to move forward.. 1. Bitter discussions at the end indicate it is getting important to try and get finances straight.. I will look at your form and probably contact a lawyer soon.. 2. have begun investigating trip in Oct.. I suggest general outline as follows: Oct 13, you arrive in Phoenix for the day.. we could then leave late on the 13th if you want, arriving in New Zealand early morning of the 15th.. I am going to try and contact people there to arrange 3 interesting days of talking, and viewing.. then fly to Australia on the 18th to pick up Nancy (and if you want a short visit fine), otherwise we leave after that, arriving in FLA on the 19th..

We will either exit at Orlando, or we will catch a commercial flight to there (or drive), from Palm Beach. Sound good? also, I am check weather forecasts.. if it cools down here, then I will give you a bit of advance warning and you can come this month while I am here too..
