No news. In CA going to Costa Rica to meet w/new Pres - they are going to extend National Park by 50 miles and we are going to present the science and then I'm going to Mia Thursday for 10 days or so. House Is pulled apart whilst they do the repairs - getting a new staircase new chimney. No Florena or Joseph either because his dad died and they have gone to Philippines for 1 month. T might work w/abby on that building!
