Title: Cannes Diary

Did you get it? Running in the July "Avenue".

I am still in Sicily and will be home Sunday night.  
Will call Monday.

Are you counting the days till release? What is the date? July 20? Can't remember.

Have had a wonderful trip. Will tell all. Went around entire island of Sicily. Schlepped on every Greek and Roman ruin. Saw a Greek tragedy in an amphitheater in Italian in Siracusa...went to Taormina Film Festival and hung with Bob DeNiro and Valentino for 2 days.

My office did about 6 screenings while I cruised the Mediterranean without me and they were very successful. We have this down to a formula...but I was on top of things by email/phone...and the money keeps coming.

Missing you.  
Going sightseeing and looking for shopopportunities.  
xoxo Peg
