Subject: Do you want to move forward on the cryptograpjy-in-nature project ?

Hi Jeffrey!

Do you want to chat by phone this morning?
I am happy to talk but really only need a quick reply
to the note below. One or two sentences in e-reply will be AOK.
Sorry that I missed your call yesterday evening.
I was in a work out and called back about 10 mins after your call.
I will be working in my Dallas apartment for the next hour.

Allbest, Charles Harper
Cell: [REDACTED]

> Dear Jeffrey,
