Hey, Valdson called. Mme Expterton is and has been getting on his nerves. This isn't new. Just sounds like she is making herself comfortable at Apt and mostly for stuff I can help with. V happy to remain as primary translator and helper for him as her spending 5 hours at your desk to look at your computers something I could have taken care of w/valdson in 5 minutes is crazy. Your peeps are telling valdson to stop calling me..no upside for you for that - tell them it's ok for them - bella murp to call and use me and my french it's easy and makes and keeps valdson happy.. Will get info GV
