Totally fine. That's why we are starting at 8:00pm. So come on time and you will have private time with Andrew because he is staying at the house....

George: do not think less of me but I am putting together a very last minute casual dinner for Prince Andrew, who is in New York on an unofficial private visit. Please come and bring Ali.

The list for far...and we are keeping this private and small...

Prince Andrew, Woody Allen and Soon-Yi, Katie Couric...Jeffrey Epstein, where Andrew is staying. Jeffrey's house is one the largest single dwellings in New York...it's beautiful. So come to [REDACTED] for a very interesting, fast, fun dinner. xoxo Peggy
